WEAVER HIGH SCHOOL
HARTFORD, CONNECTICUT

1955

Bivins

Mr. DeBonis greets interested parents.

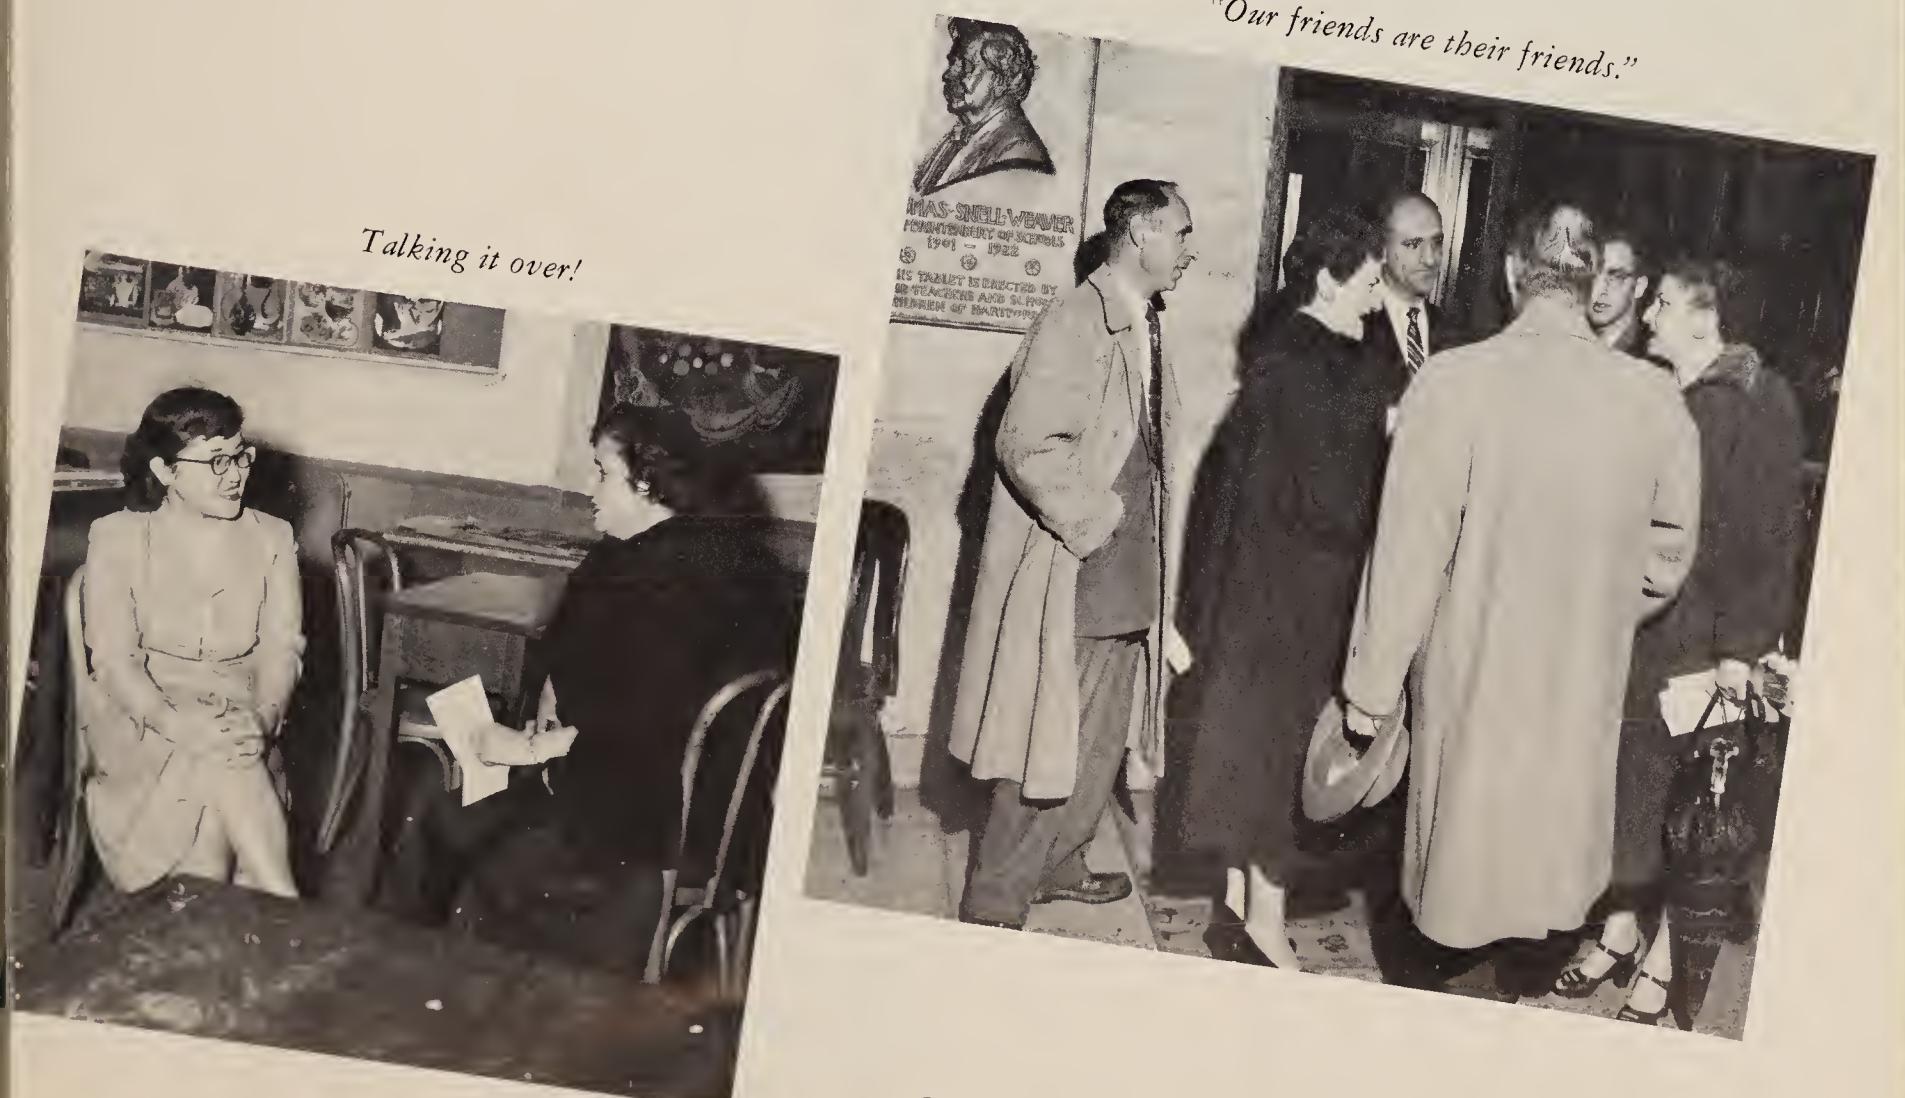

"Our interests are their interests."

Dedication

We of the Class of 1955 dedicate this, our classbook, to our parents. We hope that this will be a token of our love and appreciation to them for all they have done for us. This, our classbook, is their classbook, too. Our friends are their friends; our interests, their interests. Through these past years, our parents, with patience, understanding, and love, have strived to give us the best possible, many times denying themselves some small pleasure, that we might have that which we would like. All too often the boys and girls of our age group are embarrassed to show the natural affection which we have for our parents. It is with this in mind that we, the Class of 1955, dedicate this book to our parents. We know that we can never repay their countless sacrifices, but we can dedicate our lives to trying to live up to the standards which they have set for us. God bless them!

Talking it over!

"Our friends are their friends."

Their Majesties.

"The big brass band . . ."

"Mirror, mirror, on the wall"

Foreword

The high school career of the Class of '55 is, inconceivable as it may be, almost at a close. The wonderful times that we've all had together can never be revived, but they can be recalled. It is for this purpose that we of the *Portal Board* have worked. We hope that in the years to come this book and the contents herein will recall three of the happiest years of our lives, our years at W.H.S. These years could be compared to the cruise of a showboat, the faculty exacting the roles of crew members, producers, and directors, we, the pupils, playing the part of actors. We have given daily performances, some good, some bad, for three successive seasons, while traveling down the river of Time. Our trip has been one filled with adven-

ture and many happy experiences. On the other hand, we have encountered many storms, trials, and tribulations. However, the intelligent and considerate cooperation of all concerned has seen us safely through. We have reached the last port of call for the showboat, and the curtain is being rung down on our last performance. Using this analogy as a theme, we of the *Portal Board* proudly present *The Portal, Weaver High Showboat, 1955*. May we always remember the good-will and comradeship of our class.

We are very grateful to Mr. Larrabee, our faculty advisor, for his invaluable part in the making of this book. It takes a steady man at the helm to carry the ship through rough waters.

— M.R.H.

Bird's-eye view of "Wonderland"

Wow!

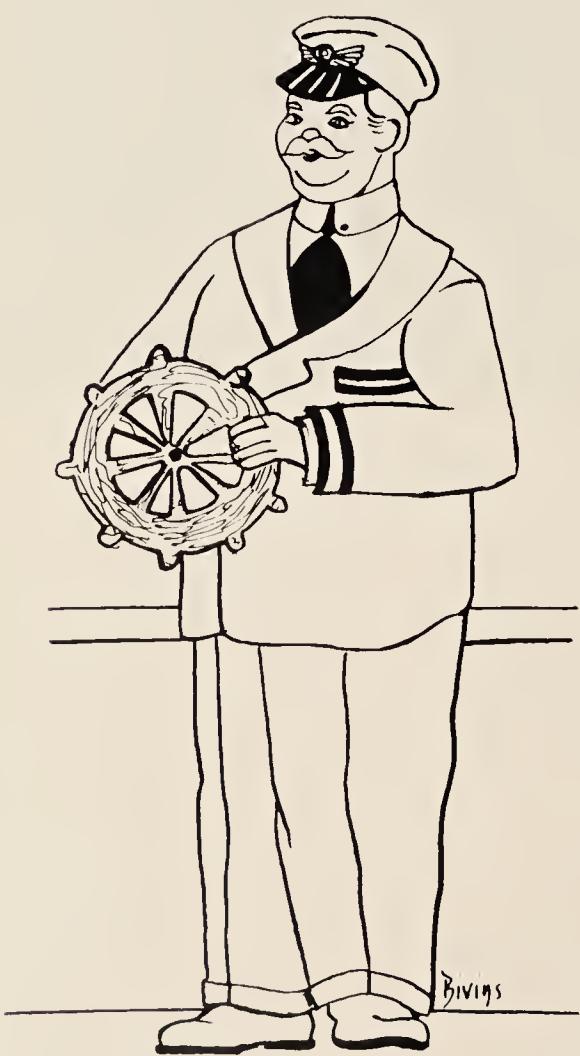

Mr. William F. Aitken

To Mr. William F. Aitken, our beloved principal, the class of 1955 bids a sorrowful and reluctant adieu. During our years at Weaver he has increased our wealth of knowledge and character with his sincerity, good-will, and friendly guidance. His great pride in Weaver and its students has instilled in our hearts an unforgettable fondness for this man who has proven to be more than just a principal. Mr. Aitken has always been an active and interested participant in all Weaver activities, and has easily become "one of us Weaverites."

We know that, although we are leaving Weaver behind us, the inspiration which we have received from this capable and skilled leader will continue to be a living testimony of his profound influence upon us.

Happy Birthday!

Mr. Ezra Melrose

"The light was born where storms enshroud." Truly Mr. Ezra Melrose, our vice-principal, has been the light which has guided many distressed seniors through their journey on the Weaver Showboat. Always on hand to give sound advice, Mr. Melrose has displayed a sincere interest in all Weaver students. He has been a welcome figure at school events, in the receiving lines and at the ticket window, alike. His amiable nature, pleasant disposition, and understanding, along with his progressive ideas, have made Mr. Melrose a combination of friend and teacher that is "hard to beat."

Three's a crowd!

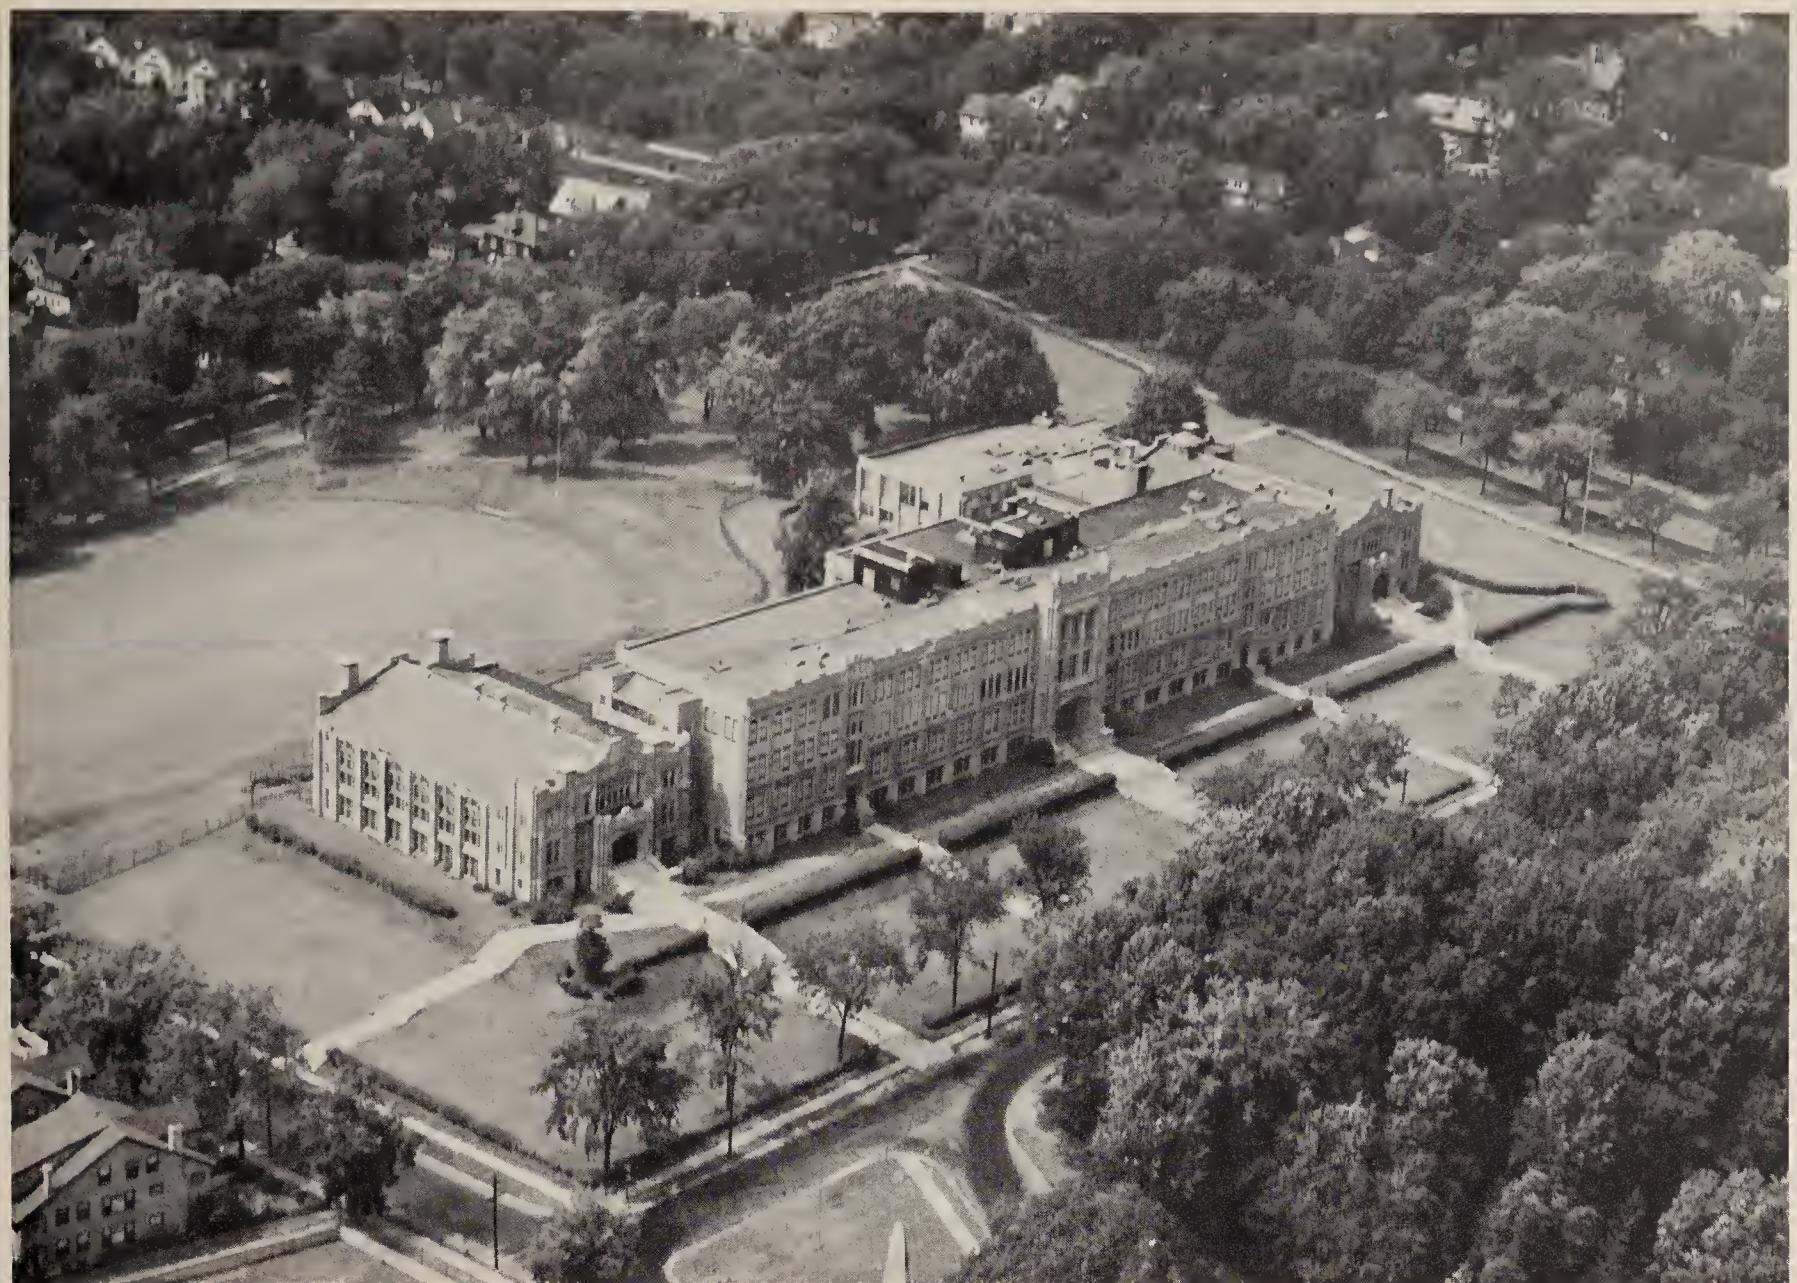

Miss Katherine R. Goodwin

We would not dream of leaving Weaver without offering a sincere "Thank you" to Miss Katherine Goodwin, our Dean of Girls. It is her sympathetic and understanding nature that has helped us over the bumps, and has paved the way to success and happiness for a number of Weaver girls. Her friendly smile, always a welcome sight, enhanced her efficient manner. In working with her, we have constantly found Miss Goodwin eager to aid us in our projects, and we have found her advice extremely beneficial. We extend to Miss Goodwin a sincere expression of our gratitude.

Steady!

L'ENVOIE

To Weaver:
Whose portals we entered as bewildered children;
Within whose portals we have grown physically,
mentally, and morally;
Whose portals we now leave to face the future, young
men and women, unafraid, confident in the
knowledge and friendship we have gained here.

—M.R.H.

Dear God,

"Help me to be a sport in this little game of life. I don't ask for any place in the lineup; play me where you need me. I only ask for the stuff to give you a hundred per cent of what I've got. If all the hard drives come my way, I thank You for the compliment. Help me to remember that You won't let anything come that You and I together can't handle. And help me to take the bad breaks as part of the game. Help make me thankful for them.

"And, God, help me always to play on the square, no matter what the other players do. Help me to

come clean. Help me to see that often the best part of the game is helping the other guys. Help me to be a 'regular fellow' with the other players.

"Finally, God, if fate seems to uppercut me with both hands and I'm laid up on the shelf in sickness or old age, help me to take that as part of the game also. Help me not to whimper or squeal that the game was a frame-up or that I had a raw deal. When in the dusk I get the final bell, I ask for no lying, complimentary stones. I'd only like to know that You feel I've been a good guy."

—Chaplain's Digest

"A hundred per cent of what I've got."

CROSS-COUNTRY TEAM

Front row, left to right: Biederman, Littmon, Hayes (Co-Capt.), R. Murray (Co-Capt.), Clark, Alexander.

2nd row: Dixon, Rosen, Hester, Miller, Silverman, D. Murray.

Back row: Freiberger, Mr. Aitken, Mr. Wilson.

CROSS-COUNTRY

The 1954 Weaver Cross-Country team had what can be termed a very successful season under Coach Ted Wilson. The Harriers split even in 4 dual meets, beating Bristol and East Hartford, but dropping close decisions to Woodrow Wilson and Middletown. Outstanding for the team were Co-Captains Dan Hayes and Bob Murray, Carl Littmon, Ron Beiderman, and Fred Clark.

Bob Murray took five first places in eight meets, winning the Greater Hartford Invitation and setting a new Goodwin Park record while winning the Bulkeley, HPHS, Weaver Triangular Meet. Murray hit the tape in 12 minutes, 44 seconds. Co-Captain Dan Hayes, although hampered by injuries, was a true leader and contributed many valuable points.

The future looks bright for Coach Wilson's combine as *Hayes* is the only letterman graduating and the team is liberally sprinkled with promising sophomores and juniors.

FOOTBALL

At the season's outset the 1954 Weaver football team was slated for mediocrity. But inspired by the knowledge that it was Coach Ed Sandall's last year at Weaver, the team was determined to make it a good one. Although small physically, the boys were gifted with a real fighting spirit, and ended the season with a fine 6-2 record. The line, which had been the big questionmark in pre-season notices, blossomed under the tutelage of Coach Alan Mooney into a hard-blocking unit. The team's balance between offense and defense was apparent in that the Beavers scored at least once in every game, while holding four of their opponents scoreless.

The season's high point was the New Britain game, in which the Big Green came from behind twice to win 27-14. Unfortunately, the team saved most of its mistakes for Municipal Stadium and bowed to HPHS and Bulkeley for the only losses of the season.

Dick Reilly, Bob Mikulske, Wendell Coleman, and Jim Dakin were further honored as All-District choices, while Coleman was chosen on the Second String All-state team.

Consequently, the 1954 football season was a great success, as the team did much more than was expected of it and gave the Weaver rooters much to cheer about.

BASKETBALL TEAM

Kneeling, left to right: Countryman, Egan, Roisman, Reilly, Harrell.
Standing: Jennings, Brown, Daniels, McBride, Sullivan, Lee, Coach Horvath.

BASKETBALL

The 1954-55 basketball season, though not able to be termed a success, can neither be thought of as a failure. Hampered by the early season loss of Capt. Ted Jefferson, Coach Charlie Horvath, ably assisted by J. V. Coach Al Mooney, was forced to bring up untested sophomores. These sophs were tried in different combinations with returning stalwarts "Beans" Brown, Jerry Roisman, Dick Reilly, and Bob Pollack.

Although experiencing a losing season, the team exhibited a fighting determination to get back on the right side of the ledger. This spirit was largely responsible for the Beavers' stunning upset win in overtime over Bristol, 50-48. This game was easily the highlight of the season and gave Weaver fans something really good to remember about the 1954-55 Weaver basketball team.

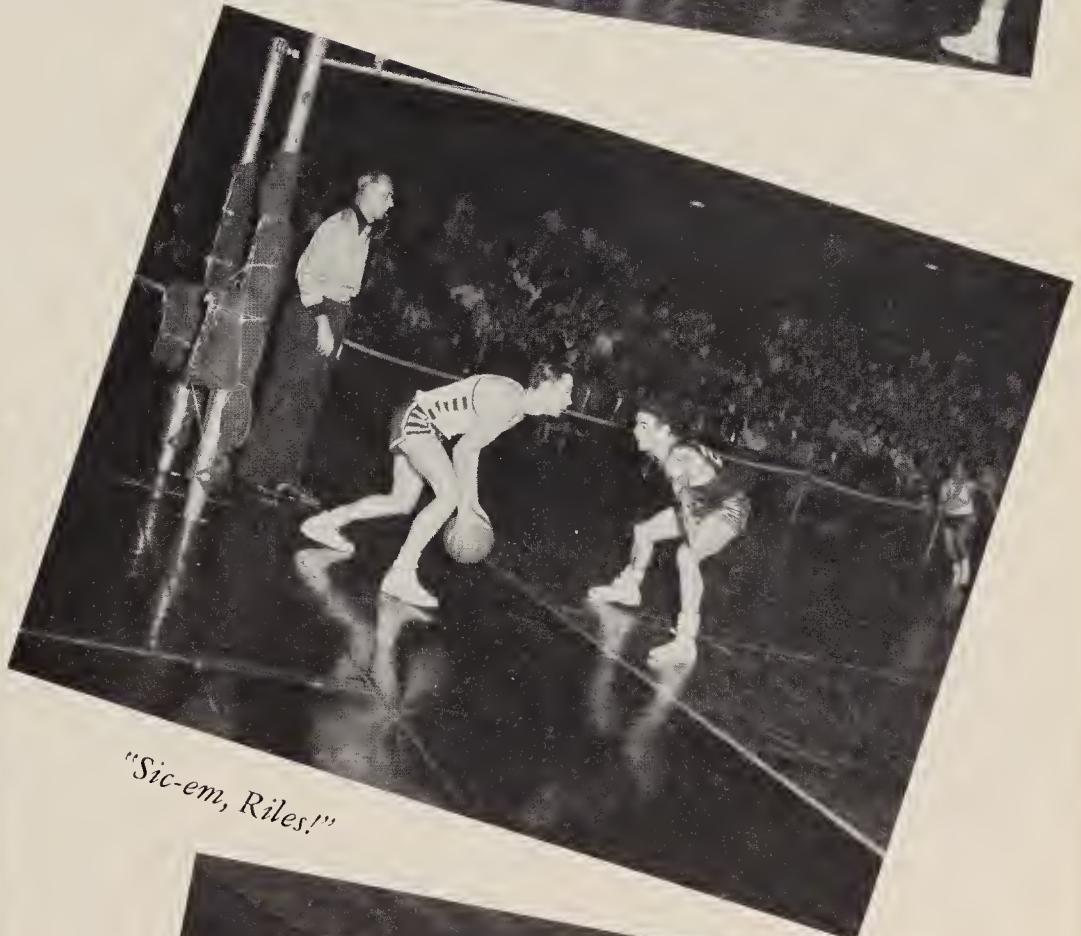

Roisman Up! And in?

3rd row: Mr. Sandall, Mangini, Mr. Aitken, Cramer, Mucci, Mr. Horvath.

BASEBALL TEAM

Although the record of the 1954 baseball team displayed no wins, there were many very good players. The figures don't always tell the whole story! This team represented their school to the best of their ability and never let the school down. Bob Nielsen, captain of the 1955 team, plans to lead a successful team on the diamond this year.

TRACK

1st row, left to right: McGuire, Robbins, Borden, Douglas, De Gruttola, J. Madden, Alexander (Capt.)

2nd row: Kramer, Barlow, Rudin, T. Madden, O'Neill, Mr. Mooney.

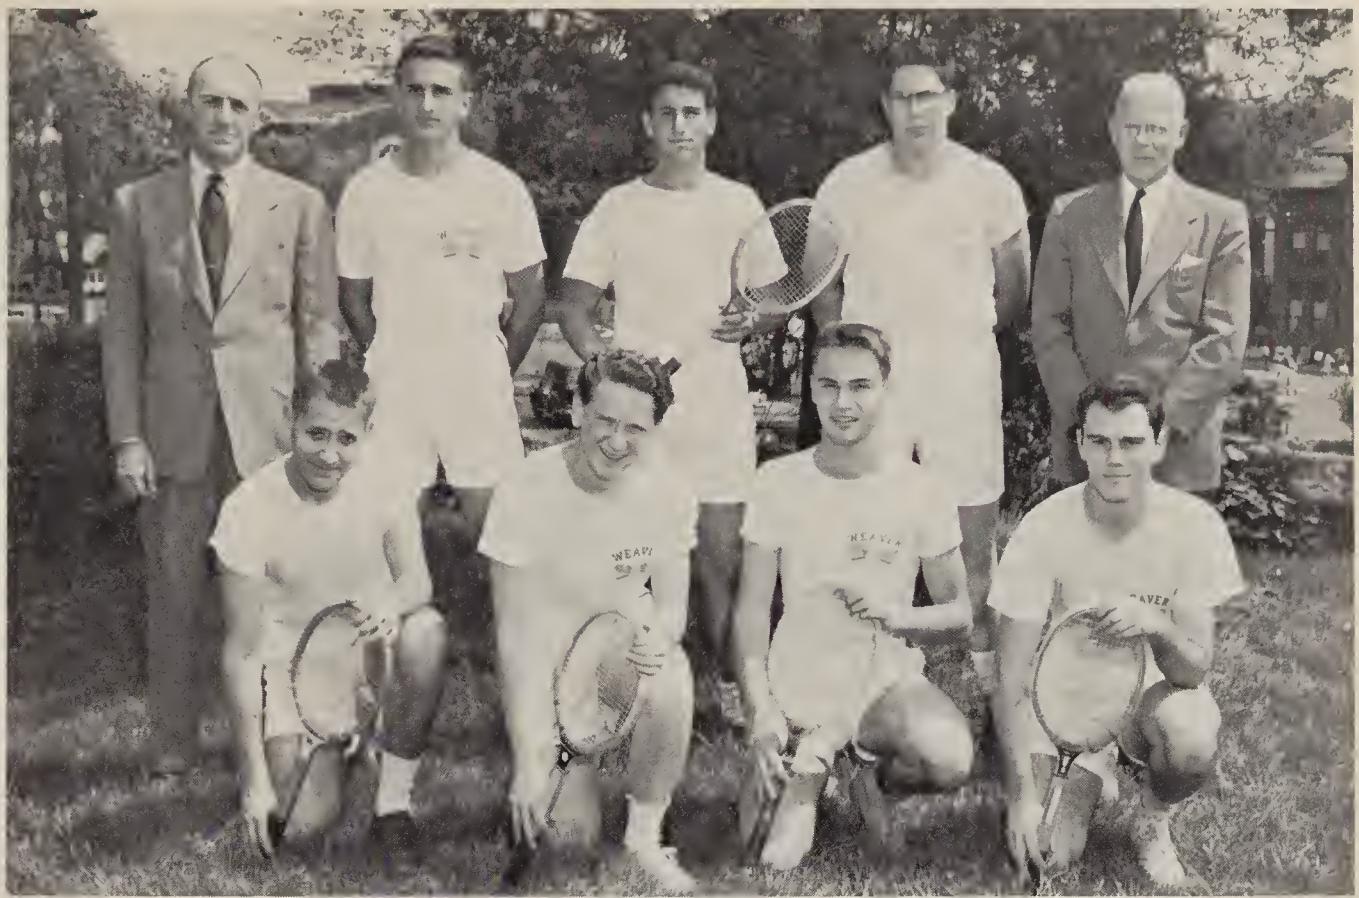

3rd row: Mr. Aitken, Kagan, Cohen, Clark, Beiderman, Mr. Wilson.

TRACK TEAM

The 1954 Track season proved a mediocre season. The team had individual stars, in two events. Dan De Gruttola, co-captain of the 1955 team, is an excellent runner, while Dave Robbins, the other co-captain of the 1955 team, and Charles McGuire are fine pole-vaulters.

Sports

TENNIS TEAM

Kneeling, left to right: Epstein, Stein, Frauenglass, Himmelstein.
Standing: Mr. Steeves, Cohen, Hurwitz (Capt.), Kravitz, Mr. Aitken.

TENNIS TEAM

This team, in contrast to some of Weaver's others, boasts a winning record. Captain Myron Hurwitz and Arnold Cohen reached the semi-finals in the doubles match of the State Tournament.

GOLF TEAM

Kneeling: Cushing, Kalin, Walter, Baskin.
Standing: Mr. Aitken, Kliman, Sherman, Swilling, Gibbs, Mr. Andrews.

GOLF TEAM

There are many fine prospects left from the 1954 Golf Team. These up and coming Weaverites will try to improve upon their record of last year.

Girls'

It was during the first visit to gym class that the sophomores had their first contact with the girls' athletic program. They soon found themselves participating in archery, volleyball, tumbling, and badminton. The Girls' Leader Corps welcomed the girls at a playday. After-school sports were soon begun. In the spring of 1953 Sport Night was introduced to them. Many girls took an active part as the Green Team emerged victorious for the first time in several years.

As Juniors, some of the girls traded in their blue gym suits and red socks for the white leaders' uniforms. These girls were installed at the first assembly program given by the Girls' Leader Corps. The girls again found themselves enjoying ping pong and speedball. In May the Blue regained its mastery of

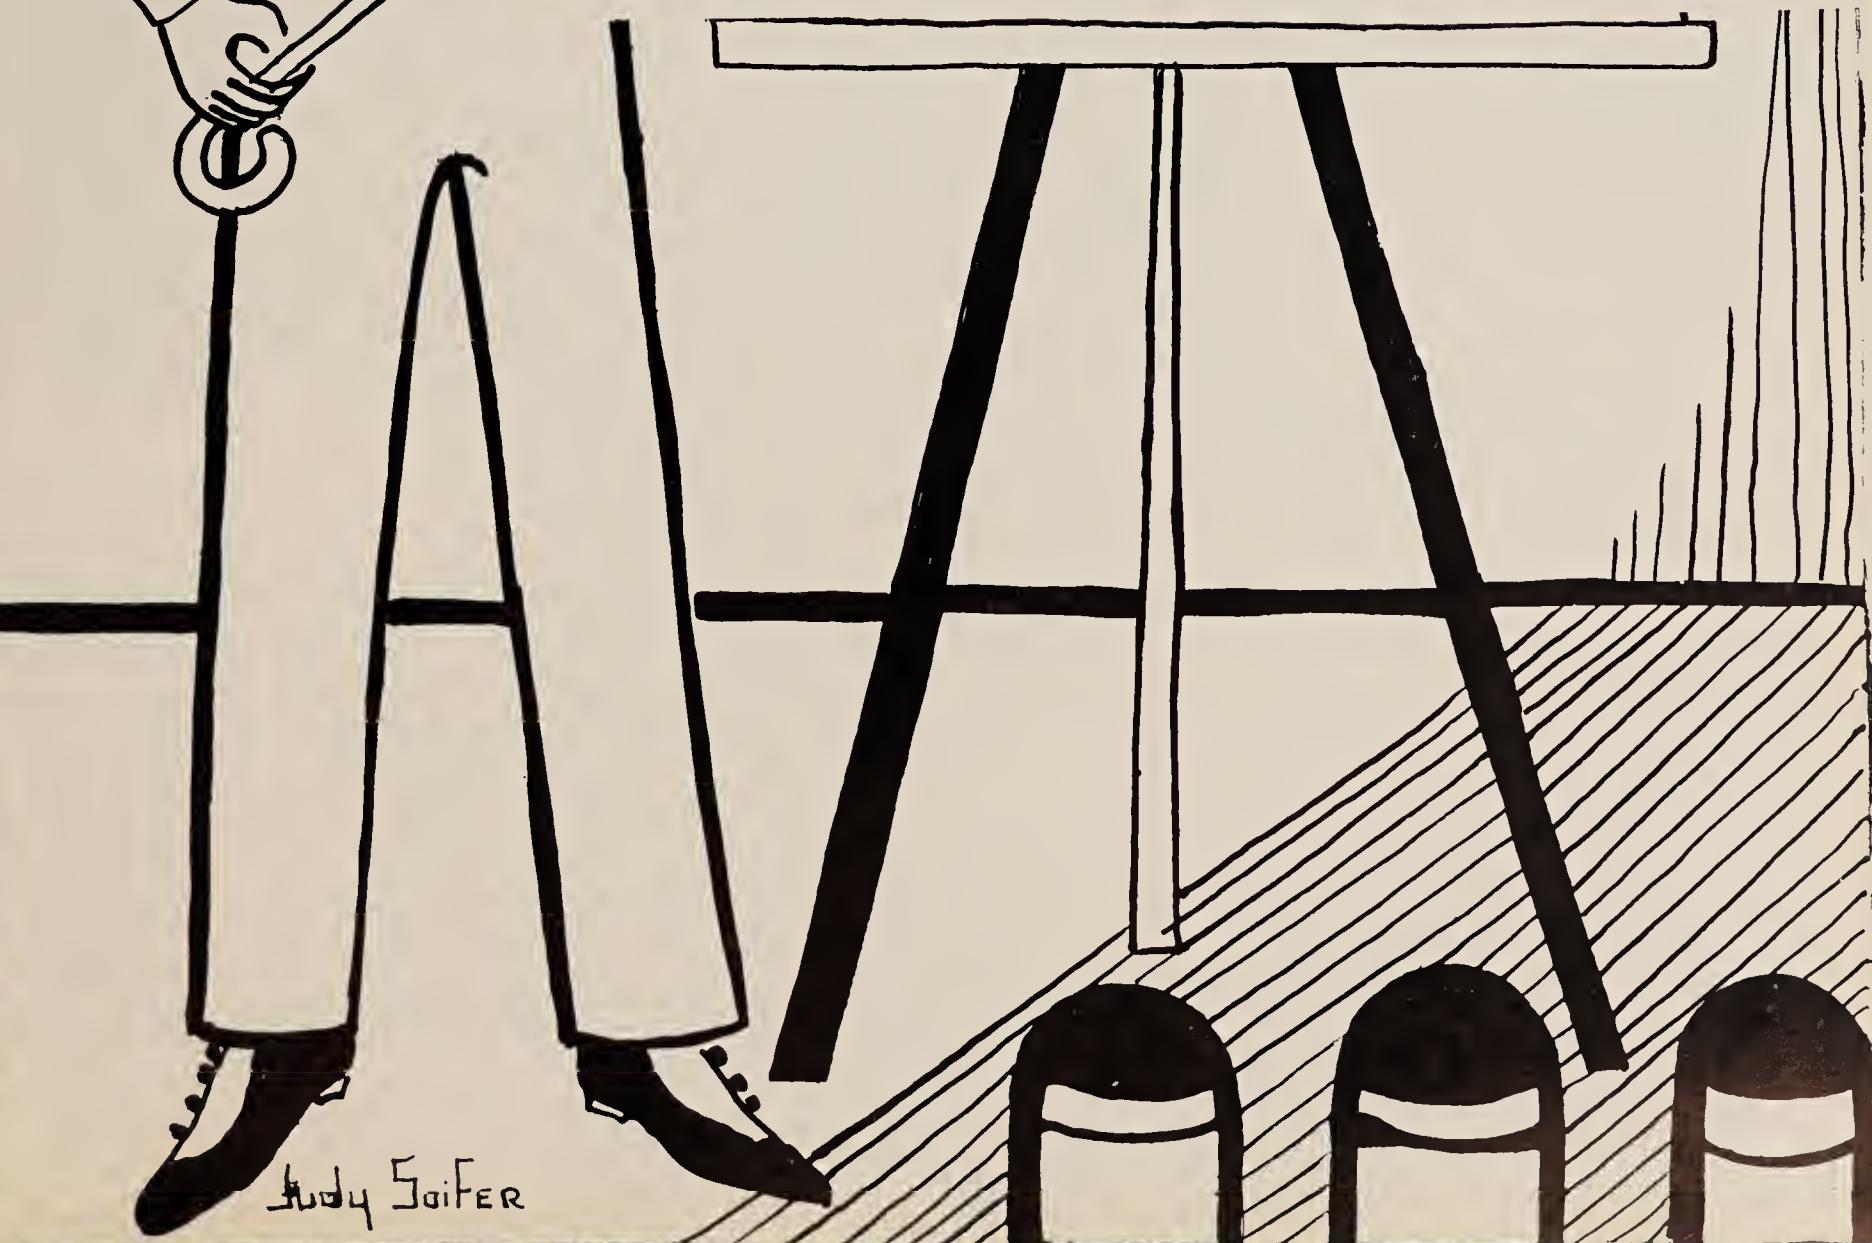

Sports

the Green in an exciting Sport Night battle. Gerry St. Laurent as President, Tina Grasso, Pat Baker, and Janette Johnstone as the other new officers, were installed at the Leader Corps Tea.

Soon after the beginning of the new year the cheerleaders were chosen, and they elected Gloria Morris and Pat LaPenta as captain and manager. At an after-school play-day the new students were welcomed to gym activities. The leaders also gave a party for the Squad Captains. The new leaders were installed at an assembly where four foreign students from Springfield College demonstrated their country's dances. Once again the girls tried exercises and folk dancing under the supervision of a student teacher, Miss Peaslee. As Sport Night rolled around again, Pat LaPenta captained the Blue and Anna Moshovos led the Green. The spring tea brought to a close the girls' sports program for the year at Weaver.

HIGHLIGHTS

It seems like a short time ago that we blissfully and ignorantly trudged to our new school, Weaver High . . . 3 years ago. Ah, the innocence of youth! Little did we know. But we soon learned . . .

We were met by that classic piece of literature . . . "So You're a Weaver Beaver, Now" . . . some help! Then we had an "orientation" assembly . . . another big help . . . "Who's that funny man on the stage, and what does he mean" . . . "You now stand dismissed to your first period class!" . . . We became very friendly with Jasper . . . but those blue slips could be put to better use . . . The horror of our very first lunch period at Weaver . . . or How to Get Indigestion Standing up, in Twenty Minutes . . . The mad stampede . . . "But I thought the bell was for the teacher!" . . . last lunch . . . "Whaddya mean, no more potatoes?" . . . The football team, under new coach Ed Sandall, was one of the top teams in the state, but we lost to HPHS and Bulkeley . . . The basketball team showtimed its way to New Haven, but New London beat us there . . . at last finals arrive . . . Oh! joy! . . . and then summer vacation . . . time off for good behavior.

What, September here again? We're Juniors now (with a capital J) . . . soooo big . . . the freshmen arrive . . . they call us sir, and sire, and master, and sahib, etc. . . . They're so cute . . . "Mister, where's Room 301?" . . . "Well, sonny, go down to the Nurse's office, turn right, and keep going, down the stairs"

ful Hillhouse; st State Champions at Success; Is Queen

Three Boys and Two Girls Elected To Junior City Council Delegation

... Then, our own formal . . . The Junior Prom . . . What a time! . . . Bruno Cantafi and Marilyn Wickstrand reign as king and queen . . . (P.S. Bruno was king, Marilyn queen) . . . The elections . . . Girls' League, Boys' Club, Student Council, JCC, . . . "If I'm elected" . . . Weaver Nite is a smash . . . DeVaux does it again . . . The Fabulous Five waltzes through the State Tournament . . . State Champs . . . "We're going to Boston" . . . and we did . . . fun at the Bostonian . . . 10 in a room . . . but Hillhouse beat us at the Garden . . . The baseball team, slated for a mediocre season, surprised everyone and didn't win a game . . . Pittsburgh Pirates, watch out!

And then we were Seniors . . . never thought we'd make it . . . all ready for our best year . . . and it was . . . No more demerits, just ciphers . . . you can't win . . . The football team fights its way to a 6-2 record in Sandall's last year . . . HPHS and Bulkeley again . . . who can forget those crazy victory parties . . . the class elections, Boys' Leader Corps still giving great performances between the halves . . . Basketball team didn't do too well before and after the halves, though . . . All the dances . . . assemblies . . . rallies . . . those "lovely" (?) male cheerleaders at the Thanksgiving rally . . . Friday nights at Aldor's after the games . . . "aren't you going to buy anything?" . . . We'll always remember these times . . .

And so we end our peaceful little voyage through the hallowed halls of Weaver High School . . . a little wiser . . . a little older . . . and a lot happier.

ACKNOWLEDGMENTS

The *Portal* Boards take this opportunity to express their sincere gratitude to all the wonderful people who helped to put forth this issue.

Our thanks go to our talented artists—Leon Bivins, Eunice Craddock, David Robbins, Judith Soifer, and Marilyn Wickstrand—who, with the able assistance of Miss Erickson, gave us their creations.

We thank Mr. Jack Brown, the friendly and helpful representative of O'Toole & Company, for his stimulating suggestions.

Our photographers are to be congratulated for the grand job they did. The official photographer this year was Photo-Reflex of G. Fox & Company. Some of the pictures were taken last year by Lorings Studio.

Janice Gladstone and Roslyn Guberman, our expert typists, deserve many "thanks" for the service they performed.

It is, indeed, a privilege to acknowledge Mr. John A. Alibrio, Business Board adviser, who willingly gave up so much of his valuable time and energy toward the production of this yearbook.

Again... our thanks to all.
